Overview

Adobe (NASDAQ: ADBE) revolutionizes how the world engages with ideas and information. For 25 years, the company's award-winning software and technologies have redefined business, entertainment, and personal communications by setting new standards for producing and delivering content that engages people virtually anywhere at anytime. From rich images in print, video, and film to dynamic digital content for a variety of media, the impact of Adobe solutions is evident across industries and felt by anyone who creates, views, and interacts with information. With a reputation for excellence and a portfolio of many of the most respected and recognizable software brands, Adobe is one of the world's largest and most diversified software companies.

Today, Adobe is better positioned than ever to push the boundaries of the digital universe. Under the leadership of President & CEO Shantanu Narayen, we're driving even greater innovation with powerful, compelling software solutions that meet the needs of customers and markets ranging from designers and filmmakers, to enterprises and governments, to developers and home users.

Recognizing that employees are at the core of our success, Adobe recruits and retains highly qualified and motivated individuals, creates an environment where they can innovate and achieve their best, and rewards them for their performance by giving them an opportunity to share in the company's success.
